To Whom It May Concern,

This is in response to the request for additional infomation regarding the amended quarterly report (02/11/2016 - 03/31/2016)

The \$15,000 difERENCE in dispersments was a single check to cover the NRC dues that was inadvertantly left off the original report.  
the outlay was recorded in the accounting file but was left off when that file was transfered to the FEC Reporting software. and when  
we filed the 2nd amendmend report the ommision was noted and corrected for both the 2nd quarter and the first quarter.
